TEAM NOTES & OBSERVATIONS

Ms. Chen (Counselor)

(Mar 5)

Rafael opened up about mornings - grandmother leaves for work at 5:30 AM, he's responsible for getting siblings ready. Siblings leave earlier for elementary bus.

Mr. Thompson (Advisor)

(Mar 3)

Strong bond with robotics team lead (Marcus). Consider leveraging peer mentorship. Rafael has good days when he arrives on time.

Coach Davis

(Feb 28)

Asked about returning to soccer. Said he 'couldn't keep up with everything.' Misses the team. Worth exploring schedule adjustments.

NEXT STEPS & ACTION ITEMS

URGENT

Explore morning support - can school provide early bus pickup or breakfast program access?

THIS WEEK

Connect Rafael with Marcus (robotics) for informal peer mentoring on time management.

ONGOING

Continue CICO. Add afternoon check-out to track homework submission before leaving.

REVIEW

Mar 24: Full team review. Assess if Tier 2 supports sufficient or escalation needed.
